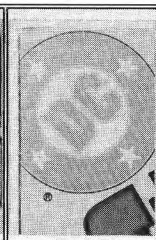
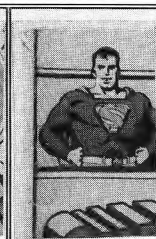
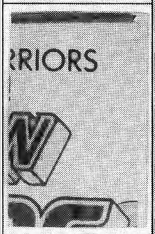
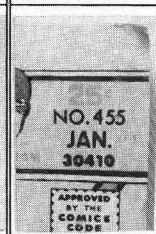
CVM GRADING GUIDE

Grading comics is an objective art. Grading factors you should consider when purchasing a comic magazine include: examination of the corners, staples, glossiness and luster of the covers, the aging and condition of the interior paper, etc. This CVM Grading Guide illustrates the many conditions that may be seen from the highest grade and top condition to the lowest collectible grade and shape. Your own comics will be in one of these conditions. This guide will also keep you aware when it comes to buying comics whether you purchase a bargain or a dud. (However, we should point out that no reader or advertiser is required to follow this or any other standard.) All prices in our CVM guide are in Near Mint grade. Happy collecting from us here at CVM.

Mint	Near Mint	Very Fine	Fine	Very Good	Good
					




Top Left	Top Left	Top Left	Top Left	Top Left	Top Left
					




Top Right	Top Right	Top Right	Top Right	Top Right	Top Right
					Spine	Spine	Spine	Spine	Spine	Spine
Mint A perfect, pristine specimen, devoid of any trace of wear or printing or handling flaws. Covers must be fully lustrous with sharply pointed corners. No color fading. Must be well centered. Many "rack" comics are not "Mint" even when new.	**Near Mint** An almost perfect example with virtually no wear. No significant printing flaws. Covers must be essentially lustrous with sharp corners. Spine is as tight as new. In older comics minimal color fading is acceptable, as is slight aging of paper. Most price guides, including CVM, quote prices in this grade.	**Very Fine** A well preserved comic still pleasing in appearance. Small signs of wear most particularly around staples. Most luster is readily visible. Corners are no longer sharp, but not rounded. Typical of a comic read only a few times and then properly stored.	**Fine** A clean, presentable comic with noticeable signs of wear. Some white showing through enamel around staples and moderate rounding of corners. No tape or writing damage. Book still lies flat.	**Very Good** A well worn reading copy with some minor damage such as creasing, small tears or cover flaking. Some discoloration evident and wear obvious around staples. Little luster remaining and some rolling of spine may be seen when comic is laid flat on table.	**Good** A fully intact comic with very heavy wear. Tears, cover creases and flaking and rolled spine will all be evident. No tape repairs are present. Only scarce or valuable issues are usually collected in this state.

© Marvel Entertainment Group

FUTURE PICKS

● Magneto reversing polarity, becoming once again the "bad guy", is turning our scorching summer into a nuclear winter! Will Claremont, Lee, Williams allows the "good guys" to stop him? Find out in the Marvel's latest mutant blockbuster--X-MEN. X-MEN sales are set to break records with massive orders on X-MEN #1. Dealers are confident that collectors will snap up the multiple covers on issue #1.

● Our thanks to Marvel for supplying the four cover versions at such short notice for our cover feature. Look out for the big fifth, with all four covers featured in their wraparound double gatefold issue containing the previous issues' pin-ups. Even at a price of $3.95, this will be the one to get!

● More information on Marvel's other mutie biggie--X-FORCE. We have been swamped by many inquiries concerning the negative Captain America graphic, and the scratched copies on some copies of X-FORCE #1. According to Vicki Schodowsky, spokesperson at Marvel, one of the three bagging machines used for this issue had a problem. During the process of bagging, some copies received a roller scar on the cover. "In some cases the roller scar was deep," said Schodowsky, "in some cases it just took color off the lacquer; in some cases it was a minor cut." (Never trusted the HAL 2000 method myself.)

● We have also had reports concerning copies of SILVER SURFER #50 that have been damaged in transit. The complaints include spine creases and scratches on the silver foil cover. These problems can only mean that there are fewer mint copies of these books on the market. It could possibly promote price increases earlier than usual.

● Other Marvel moves include DARKHAWK (look for a future PUNISHER appearance), CAPTAIN AMERICA (back John Byrne issues), NEW WARRIORS, GUARDIANS OF THE GALAXY, WOLVERINE #41 (prices are sizzling) and the INFINITY GAUNTLET cross-overs. Talking of Infinity--what will happen when Ron Lim replaces George Perez on this title? What will happen now that Mark Bagley has taken over AMAZING SPIDER-MAN and what about John Byrne replacing Chris Claremont on the X-titles? Who knows? We wait with bated breath and see.

● Onto the independent titles now, and we start off with--say what? Hot on the alien trail comes PREDATOR: COLD WAR from Dark Horse, with more of the nasty creatures landing in the USSR. Dark Horse has also taken a slightly nasty Robocop into their stable. They will open up next year with a ROBOCOP III movie adaptation to be followed with--wait for it--a ROBOCOP/TERMINATOR cross-over featuring script by Frank Miller and art by Walt Simonson. Should be rivets-a-flying in that one.

● SOLAR: MAN OF THE ATOM #1 is selling well for Valiant. Readers are not only commenting generally on the Barry Windsor Smith work, but also on the Don Perlin/Bob Layton artwork in this book. Look out for a Solar appearance in MAGNUS #8.

● Other future picks include Millenium's adaptation of H. P. Lovecraft's CTHULHU stories, Innovation's Halloween release of Hitchcock's PSYCHO and the current line of Eclipse's graphic novels. The trend of horror seems to be rising further above the depths.

● On the heels of DC's mega-popular ROBIN miniseries comes ROBIN II: JOKER'S WILD, by the same creative team of Dixon, Lyle, and Smith. The series will feature cover variant editions and will ship bi-weekly. It's Robin alone in Gotham against his predecessor's killer--The Joker. Hot stuff, indeed!

● The current LEGION OF SUPER-HEROES is proving to be popular with the Lobo/Darkseid storyline. Look out for the return of the original Legion mentors in LSH #25. Also, again for you old timers out there, check out the up and coming double size 50th anniversary issue of GREEN LANTERN #19. "Little Green Lanterns in a row" with an appearance by the original Green Lantern--Alan Scott.

● Other DC's to look out for are J.L.E. #33 continuing the "Breakdown" storyline with everybody vs. everybody and renewed interest in NEW TITANS cause of that original Terminator DEATHSTROKE.

Phew! It's been busy this month--see you next time.

C.V. MOVERS — REGIONAL REPORTS

Northeast

Greg Bazaz
M & M Comics
and Cards
Nyack, NY

DC Comics

LEGENDS OF THE DARK KNIGHT, Robin appearances in BATMAN, and ARMAGEDDON 2001 crossovers lead DC titles. SUPERMAN: MAN OF STEEL has helped the Superman line pick up and GREEN LANTERN is maintaining a steady pace. The Impact line has done well with their #1's, jury is still out on 2's. Best thing DC could do would be to grab McFarlane for a LEGENDS OF THE DARK KNIGHT storyline!

Marvel Comics

X-FORCE, X-MEN and SPIDER-MAN are very strong with PUNISHER, WOLVERINE and GHOST RIDER close behind. The INFINITY GAUNTLET and various crossovers are getting mixed results while SILVER SURFER #50 continues to rise in price. Reports of $10-25 are not uncommon. DEATHLOK shows promise. McFarlane mania appears in flux with the news of his departure from SPIDER-MAN. Is a FELIX THE CAT cover a wise career move? Time will tell.

Indies

Dark Horse is making inroads on the customer's mentality. Others would do well to deliver product when promised. Example—LOST IN SPACE and QUANTUM LEAP. What happened?

Additional Comments

Now that John Byrne will be writing the X-MEN titles, interest has picked up. Also: the back issue market varies widely. Flavor of the month mentality abounds. First things first. How long can all this go on? New books, retreads, crossover, gold second printings, third printings, Roman numeral, etc., etc.? And let's not forget multiple cover variations. Soon we'll never need a second issue of a title. We'll just keep selling different versions of the first issue. Final comment: Kids–buy what you like, not what you think will increase in value. If you want only to invest–try Wall Street.

Top Ten

Johnson City, MD

DC Comics

We're seeing increases in sales on all SUPERMAN titles. GREEN LANTERN, EMERALD DAWN, STAR TREK, and STAR TREK: NEXT GENERATION are outselling BATMAN: DETECTIVE and LEGENDS OF THE DARK NIGHT (where are STAR TREK: NEXT GENERATION back issues?). SANDMAN, HELLBLAZER, DEMON and SHADE are well-written and back issues are hard to find. Impact titles? We'll wait and see.

Marvel

All X-books are hot. NEW MUTANTS #86 is one of the hottest books we've seen here in a long time. SILVER SURFER #50, GHOST RIDER #15, X-FACTOR #63, #64 were underordered by myself and many others I assume. SPIDER-MAN, GHOST RIDER, NEW WARRIORS, GUARDIANS OF THE GALAXY, and INFINITY GAUNTLET and crossovers have been sell-outs. Watch for these hot new books: AMAZING SPIDER-MAN #353 (PUNISHER/DARKHAWK), MOON KNIGHT #32 (direct sales cross-over with WEB OF SPIDER-MAN), FANTASTIC FOUR #358 will have a die-cut cover. This book will be red hot!! SPIDER-MAN #16 crosses over with X-FORCE #4. UNCANNY X-MEN #282, and LEGION OF NIGHT #1 with Portacio art. Marvel is still #1 in this store.

Indpendents

PREDATOR: COLD WAR will sell very well. TERMINATOR: SECONDARY OBJECTIVES sold out. MAGNUS: ROBOT FIGHTER and SOLAR: MAN OF THE ATOM were sellouts. MS. FURY limited edtiion #1 should be hot (only 5000 of these will be printed). My area has a great number of NASCAR fans. The LEGENDS OF NASCAR series outsells all books 4 to 1. The first printing ($1.50–cover #1) is selling anywhere from $35 to $100. The limited edition #2 with the hologram will be very sought after.

Additional Comments

Investing in Comics–Watch the artist, new character appearances, direct sales crossovers and the writers. My best advice is to buy what you like to read, keep it in N/M condition and maybe you'll get lucky.

Top Ten
1. Legends of Nascar #2
2. X-Force

1. Knights of the Pendragon
2. Captain Atom
3. Transformers
4. Superboy
5. Zorro

Southwest

Dennis Schamp
The Comic Gallery
San Diego, CA

DC Comics

The ARMAGEDDON 2001 annuals are selling very well. BATMAN is showing some renewed interest, while SUPERMAN has gone back to its previous low point–let's hope the tight, weekly continuity can pull up the interest. DEATHSTROKE #1 sold out very fast, and has helped increase sales in NEW TITANS. Over at Impact, COMET, JAGUAR, and FLY are the top movers, with SHIELD and WEB a strong second.

Marvel Comics

Should I mention X-FORCE? OK, I won't. This year's annuals, with the exception of the X-Bunch, moved slowly. The "Family" concept just doesn't seem to do well. GHOST RIDER is still a big mover, while PUNISHER seem to be slowing a bit. GUARDIANS and NEW WARRIORS continue to increase. And with Byrne replacing Claremont as dad in the X-Family, and McFarlane leaving SPIDER-MAN to be with his family, we can expect some new and exciting directions for our favorite characters.

Indies-Color

ROCKETEER appearances are in high demand (surprise!). The new TERMINATOR books are doing well. Also a renewed interest in Gold Keys, especially TV or movie tie-ins.

Indies-B & W

Dark Horse and Caliber are still the two to beat. DH's VAMPIRELLA reissue was loads of fun! And who chooses the artists for TMNT? Big slowdown for our half-shelled heroes.

Additional Comments

I'm anxious to see who else will do SPIDER-MAN. Erik Larson's good, but he's "been there, done that." Come on, DC, let him do Captain Marvel! We both know he's the right man for the job.

Top Ten
1. Silver Surfer
2. X-Force
3. X-Men

2. Barry Blair (any title)
3. Golgo 13
4. Zorro
5. Justice Society

South Central

Benjamin Biggs
Bigg Comics
Lafayette, LA

DC Comics

DC has some promising items on their way. For example–PSYCHO, RAGMAN #1 (may be nice), and the biggest of them all, the SANDMAN SPECIAL #1 with its glow-in-the-dark cover. Hang in there, DC. Your time will come.

Marvel Comics

Some of Marvel's biggest winners are SLEEPWALKER, NEW WARRIORS, DARKHAWK, DEATHLOK, INFINITY GAUNTLET, X-FORCE, and, believe it or not, TOXIC AVENGER.

The new DEATHLOK series could be the GHOST RIDER of last year. Watch this title closely, especially #2. This book was ordered with all eyes placed on X-FORCE #1 and INFINITY GAUNTLET. Deathlok promises to be the Bigg sleeper of the year.

Remember when second printings were a waste of time? When was that, anyway? Second printings are now considered good as "gold"–and silver, too. For example, Marvel's GHOST RIDER #5, #15; FANTASTIC FOUR #347, #348; NEW MUTANTS #100; NEW WARRIORS #1; X-TINCTION AGENDA #1, #2, #3; SPIDER-MAN #1; WOLVERINE #41; X-MEN #275; and the latest edition to join the second printing club, DEATHLOK #1, are a part of a new family of "hot" books to be released this summer. If everything is done in gold, their value is sure to hold. But.....watch out!!

Independents

One company stands out above the rest for bringing us innovative art and storylines. That company is Tundra. For example–CAGES, BRAT PACK, and VIOLENT CASES. Keep a close eye on Tundra and all of their products this coming year. You may be surprised.

Also, keep an eye on HEPCATS by Double Diamond Press. HEPCATS is developing a nice cult following. Coming this October, HEPCATS #1 SPECIAL EDITION signed and numbered, and limited to 2,000 copies, will be released.

Additional Comments

Keep watching the Marvel Universe Trading Cards Series Nos. 1 and 2. HOT HOT HOT HOT. Finally, rumor has it, there may be a scratch-n-sniff Toxic Avenger cover. Remember, I said MAYBE?????

Top Ten
1. Deathlok
2. Infinity Gauntlet
3. X-Force
4. Silver Surfer
5. Infinity Gauntlet crossovers
6. X-Factor
7. Ghost Rider
8. New Warriors

10. X-Men

Bottom 5
1. Hellblazer
2. Akira
3. Challengers of the Unknown
4. G. I. Joe
5. Superman: Man of Steel

Northwest

Al Clover
Zanadu Comics
Seattle, WA

DC Comics

With the release of SUPERMAN: MAN OF STEEL, the other "Super" titles have taken off. The ARMAGEDDON 2001 annuals are also the hot ticket as we get into summer, along with HELLBLAZER, BATMAN w/Robin, and DEMON w/Lobo. MR. E was heading for my Bottom Five, but then Issue #2 came out and sales took off. CHALLENGERS OF THE UNKNOWN has been flat along with DOOM PATROL and the current GREEN LANTERN story line. Slow-moving mini-series include TWILIGHT and WORLD WITHOUT END, even with good art and story, sales were abysmal. Watch out for new creative team on SWAMPTHING.

Marvel Comics

The big news is still X-FORCE #1. But with over 3 million copies printed and at least half of those with cover defects, who knows what it would have really done? DEATHLOK, INFINITY GAUNTLET, and by association SILVER SURFER are doing quite well around here. The special gimmick issues, GHOST RIDER (glow-in-the-dark cover) and the SILVER SURFER (foil cover), were the big winners for Marvel. More special covers of that type soon (the anniversary issue of the FANTASTIC FOUR will have a die-cut cover). THE AMAZING SPIDER-MAN with Eric Larsen is going big guns but what's going to happen when Mark Bagley takes over the art chores? G. I. Joe is deader than the Joes that have been killed lately. PUNISHER is slowing down due to overexposure, just like WOLVERINE. Watch out, GHOST RIDER.

Indie-Color

Anything ROCKETEER. CONCRETE is solid after a long absence. MAGNUS ROBOT FIGHTER is selling well, as is Anne Rice's THE MUMMY. We are seeing poor sales for the last issue of PREDATOR: BIG GAME. ROGER RABBIT has most definitely stopped hopping.

Indie- B & W

BRAT PACK, FROM HELL and the best new black and white comic of the year, CAGES by Dave McKean.

Additional Comments

Everyone is waiting for Alan Davis' return to EXCALIBUR and delays could kill sales on KID ETERNITY and HARDBOILED.

Top Ten
1. X-Force
2. X-Men
3. Sandman
4. Ghost Rider
5. Infinity Gauntlet
6. New Titans
7. Hellblazer
8. Armageddon 2001 Annuals
9. Concrete/Indiana Jones
10. Batman w/New Robin; Demon w/Lobo

Bottom 5
1. Moon Knight
2. Roger Rabbit
3. X-Force w/printer defect
4. Sweet XVI
5. Iron Man/Detective

C.V. MOVERS — REGIONAL REPORTS

Canada

Jim Bain
Wilkies Wonderful World
Moncton, New Brunswick, Canada.

DC Comics

DC's new Impact Line is selling very well. No one book is moving better than others, but the whole line seems to have much better than average sales. First issues are beginning to sell out. Second issues maybe underordered by dealers. Definitely a group of books to watch.

The ARMAGEDDON 2001 books are doing very well. Announcement of a regular series as should make the first four or five annuals a possible collectible. Hopefully we don't get another NEW GUARDIANS.

Marvel Comics

Marvel is playing with fire by stressing style over substance. Different covers, cards, glow-in-the-dark, gold, silver inks, silver foil, sideways printing, Ghost Rider guest star of the month, sealed in cement comics. In the past, collectibility has always been determined by quality art and story, or historical significance. The collector of these books has to hope for the creation of a whole new branch in the hobby to be formed to insure his investment. In our store SILVER SURFER #50 sold seven times its regular issue sales. It did not sell because a mob of people decided that they could not live without SILVER SURFER comics, it sold because of a little bit of silver foil. For this and other "gimmick" comics to maintain value over the long term, a market of "gimmick" collectors has to be created, an iffy thing at best.

Independents

A number of bright spots in this group. The new Viz color titles are doing very well, GUNHED was a strong success. Innovation and Dark Horse continue to sell. In black and whites, Tundra's material is doing well, BRAT PACK and FROM HELL sell fast. Fantaco's NIGHT'S CHILDREN is a welcome surprise. Wendy Snow-Lang gives her vampires a classic feel. One can compare this book very favorably to VAMPIRE LESTAT. Watch that one!

Top Ten
1. X-Force
2. Spider-Man
3. Ghost Rider
4. Amazing Spider-Man

10. Deadly Foes of Spider-Man

Bottom Five
1. Albedo
2. Alien Nation: Skin Trade
3. Black Scorpion
4. Born to Kill
5. Bucky O'Hare

International

Toni Jerrman
Viljelijantie
Helsinki
Finland

DC Comics

DC sells very well here in Finland, especially those comics that are done by English writers and artists or those concerning BATMAN. Also their albums and prestige format books are popular. Over half of the comics ordered here are by DC, which wasn't the case a few years earlier. The change to more adult and artistic material was very good for DC's sales.

Marvel Comics

Marvel is starting to sell poorer all the time, at least in English (younger comic readers tend to prefer the translations about Claremont's Mutants). Everything with McFarlane is still hot and also adaptations of Clive Barker's works and ideas.

Independents

The two biggest of these are Dark Horse and Eros. All DH titles sell very well as can be expected by their movie adaptations. Eros titles sell as fast as they arrive, which is also true with FAUST-there are never enough copies of it. Historical Mangas and Catalan albums are always wanted.

Additional Comments

It's quite odd that Disney-titles sell so little, because the Finnish translations are the most sold comics here in Finland. When compared to the population they sell here better than anywhere else in the world.

Top Ten
1. Sandman
2. Groo
3. Faust

4. Blood of Dracula
5. Steeltown Rockers

North Central

William Christensen
Comic Cavalcade
Champaign, IL

DC Comics

DC has turned in a disappointing summer. Only ARMAGEDDON 2001 plus cross-overs and DEATHSTROKE THE TERMINATOR #1 have generated much new back issue demand. Perrenial favorite SANDMAN continues strong as both a new and back issue book, but will the new TPB's kill back issue sales? There is currently much anticipation for WAR OF THE GODS and the SANDMAN SPECIAL.

SILVER & 70's: FLASH has peaked. GREEN LANTERN and JUSTICE LEAGUE show increased demand. SWAMP THING #1 is hot at $50.

Marvel Comics

Blowing everyone else out of the water. Marvel created an atmosphere this summer in which anything unusual they create (SILVER SURFER #50, GHOST RIDER #15, X-FORCE #1) will translate into huge spectacular demand. Impressive sales on WOLVERINE continue as everyone waits to see just what the relationship between Wolvie and Sabretooth is. X-FORCE sales met expectations, with the Cable card being the hot version. Issues with two or more cards accidentally included are creating much interest. INFINITY GAUNTLET has been a success, with larger than usual demand for cross-overs.

SILVER & 70'S: Demand for early (1-30) AMAZING SPIDER-MAN continues to defy belief. And speaking of defying belief: ASTONISHING TALES 25. Need we say more? IRON FIST #14, POWER MAN and IRON FIST #66, #78, #84 are rapidly rising on the strength of the interest in the Wolvie-Sabretooth relationship. Nearly peaking: MARVEL SPOTLIGHT #5, GHOST RIDER #1. Past its prime: IRON MAN #55.

Indie-Color

Furious speculation on ROCKETEER related books hasn't translated into new comic book readers as was hoped. TERMINATOR 2 has revived the various series. MAGNUS is hot on the strength of solid product and the #0 promotion.

Indie-B & W

Past titles such as ALIENS B & W and FAUST continue to be requested. Dark Horse Presents with projects by creators such as Frank Miller and John Byrne should be a winner for some time to come.

Top Ten
1. X-Force
2. Uncanny X-Men
3. X-Factor

5. Married w/Children

C.V.Mail

Please send letters to:

Steve
C. V. Mail
P.O. Box 38
South Salem, N.Y. 10590

Dear Steve:
A couple of quick comments on the letters in CVM #61. First, in answer to the questions from Mr. Leonetti about the state of the comics industry during our current economic recession:

1) Our experience on new comics (we sell about 1% of the new comics published) is that higher-priced product has been dropped by collectors in favor of lower coverpriced issues. Sales, in overall, on new comics (both units and dollars) are up, but growth is less robust than in the past.

2) Back issue sales for the first five months of 1991 were up for Mile High Comics by 61% over the same period during 1990. Sales of back issues during May alone were up 113%.
Part of this is due to internal factors but, given that this will be far and away our best year ever in back issues, we have to believe that some other factors are entering into the picture. Our assumption is that collectors are realizing that high-priced new product is a poor investment when compared to many back issues. When you can buy Fine-NM copies of many 1970's comics for less than the cover price of a new prestige book, it makes sense to go for the older book. Thus we are seeing a reversal of the trend of 1986/1987 when sales on back issues plummeted and new comics took over the industry. While this trend is a positive for us, it would not be so for stores or individuals who have focused heavily on highpriced new product.

3) Renting a table at a convention is always a gamble. We have cut back to only going to San Diego. Our reason for this is primarily that we've found that the hassle and cost of going to conventions far exceeds the usual return. For small collectors/dealers, however, who have low costs and spare time, conventions can still be quite rewarding.

4) The current recession is having an impact on our pricing structure only in that collectors are selling their collections at a rate that significantly exceeds past trends. Given that we have excellent supplies of back issues arriving each day, we feel no compelling need to increase prices at a rapid rate. But, because demand for back issues is so strong, we foresee prices rising at a steady and reasonable pace during the rest of the year.

5) If the economy improves, and fewer collectors are forced to sell, prices could easily go through the roof. When supply becomes scarce in the face of high demand, prices rise rapidly. That's just basic economic theory.

Finally, to add to the information you gave to Phyllis Sattile about how many collectors there are for comics, our mailing list is currently at about 80,000 names. We certainly don't provide service for everyone in the industry, however, so we assume that there are about five times, or 400,000 collectors in the U. S. While that is a large number, it may be a low estimate overall. For what it's worth, Europe has many more collectors. Some European comic shows draw over 300,000 attendees. And our sales records show an enormous increase in demand for American comics from international collectors. This could be part of what's increasing the demand on selected back issues. It's a trend we're watching closely.

Chuck Roznaski, President
Mile High Comics
Denver, CO

We thought that we would include this letter in its entirety for the benefit of both Paul Leonetti, Phyllis Sattile and all of our other readers who have asked the same questions.
Our thanks to Chuck Rozanski, president of Mile High Comics, for his informative comments on the state of the comic book industry today.
S.J.

Dear Steve:
Your magazine is great and keep up the good work. Well, anyway, I have some questions:
Who determines the price of the comics? And why does it say in your July issue (No. 60) that X-Men #260 has Hardcase and the Harriers in it? They were introduced in #261.
There are also some other mistakes you made. But at least they're not things like saying Amazing Fantasy #15 is worth $5.00!
Keep up the good work!
Jason Predzik, Milwaukee, WI

Hi Jason:
Yep, we would be the first to admit that we make mistakes. Nobody is perfect–but we keep trying.
Who determines the price of comics? In short, the marketplace. We only reflect market trends.
S.J. (C. V. Mirror Master)

Hey Steve:
I just bought my first issue of CVM (No. 60). It has really built up my vocabulary on the comic prices. I would have never known that the Radio Shack version of Superman was worth something. Not only that, but it was a big shock to see that Spider-Man Ann. #23 Atlantis Attacks was worth $9.00 and is going up. I have to say you are doing a great job, so keep up the good work.
Peace!
Shane Digby Maryville, TN

Peace my man!
Glad to see that you like the magazine, Shane. We try our best to inform our readers, and keep reading CVM.
S.J. (CVM Peace Corps)

Dear Steve:
I would like this letter to reflect what Darren Buettner said in issue No. 62. He said that Todd McFarlane was a hot artist–in fact the number one artist. Then he said Mike Mignola was third on the cold list. He even said that the best artists sell the most books. I'd like to make some corrections. McFarlane certainly sells the most books but Mignola has a far more original style and better. McFarlane seems to me like an "Art Adams wanna be." As far as his thinking on the best artist sells the best books just look at Dave Stevens. When the Rocketeer was first introduced in 1981, Dave wasn't even popular. As the movie just recently has come out, Dave has gotten more popularity to the newer audience. Dave Stevens is certainly one of the best comic book artists there ever was. To direct my attention to the Top Ten list let me mention two very underrated artists: Sam Kieth and "I can't believe he's not more popular" Geof Darrow from Hard Boiled. Sam Kieth did Issue #368 of Incredible Hulk.
Ben Tolpin Wilmington, DE

Hi Ben:
Phew! You sure do have some strong opinions. But you know what they say, Ben. "To each their own."
Thanks for the Hot/Cold artist list. We will add your to the evergrowing pile (including Darren's). The results should be very interesting, huh?
Referee S. J.

Keep those artist lists coming. We shall publish the results a couple of months down the road as promised.
Also, don't forget to keep the Hot/Cold current title lists a-coming.

HOT/COLD — C.V.MOVERS
The following list was compiled from recent Hot/Cold lists received.
(–) indicates last month's position.

HOT

1. X-Force	(-)
2. X-Men	(2)
3. X-Factor	(5)
4. Spider-Man	(1)
5. Infinity Gauntlet	(-)
6. Ghost Rider	(3)
7. Silver Surfer	(9)
8. New Mutants	(6)
9. Armageddon 2001	(-)
10. Amazing Spider-Man	(8)

COLD

1. Robocop	(-)
2. G.I. Joe	(5)
3. Nam	(-)
4. Transformers	(-)
5. Mighty Mouse	(-)

Notes on using Comics Values Monthly

This publication is designed to guide comics collectors in the most current comics values. It is a tool, along with other fine publications, to assist collectors to enjoy the hobby.

The comics values listed are what a dealer will generally ask. Depending on a dealer's needs and condition of the comics, dealers will pay around 50% of these values for major hot titles, and 30% or less for minor comics. These guidelines will vary from dealer to dealer and as to location

All characters represented in this issue are copyright by the publishers listed on page 8.

Condition of Comics

MINT – A perfect comic in every way.
NEAR MINT – A nearly perfect comic. Cover shows barely perceptible signs of wear. Tight spine with minor printing defects acceptable.
VERY FINE – Beginning signs of wear. Slight creases at staples, some loss of gloss but attractive.
FINE – A worn cover but clean. Stress lines around staples and more rounded corners.
VERY GOOD – A well read book. Minor markings, discoloration. Heavier stress lines around staples with minor tears or corner creases and spine rolling.
GOOD – A very worn comic with creases, minor tears, cover flaking apparent. No tape.

TOY VALUES MONTHLY

We did it for the comics market and now we're doing it for toys! Attic Books, publishers of *Comics Values Monthly* is pleased to announce CVM's new companion publication, *Toy Values Monthly.* TVM is the first publication of its kind and will be a vital necessity for collectors of and dealers in toy collectibles. TVM will cover the whole range of toy collecting. Our first four issues cover:

Issue One	Issue Two	Issue Three	Issue Four
• Action Figures	• Cars	• Comic Strip Toys:	• Comics Toys
• Airplanes	• Non-Sports Cards	• Movie & TV Toys	• Costumes
• Banks & Boats	• Cereal Boxes	• Animation Toys	• Confectionery Toys
• Books & Buttons	• New Toys for '91	• Advertising Toys	• Construction Toys

In future issues we will cover the following topics of particular interest to comic fans:

- Disneyana
- Games
- Lunch Boxes
- Model Kits
- Robots
- Monster Toys
- Space Toys
- Super-Hero Toys

NOW! FEATURED IN EACH ISSUE!

UPDATES & NEW LISTINGS OF:

NON-SPORTS CARDS &

COMICS CHARACTER COLLECTIBLES

Each issue of TVM will contain: Thousands of listings of toy collectibles, as well as a guide price for each; collector terminology; A feature article on most of the topics that issue covers; "Toy Tips," our regular column on what to look for; the top ten collectibles of the month; tips; feedback; dealer/collector advertisements; a Show Calendar; plus extensive interior illustrations and a **GORGEOUS FULL COLOR PHOTO COVER.**

MULTIPLE CHOICES

by Neil Hansen (idea by Benjamin Biggs)

1991 will go down as "The Year of the Mutant." With favorable reaction to the X-Tinction Agenda storyline, and new hot artists like Jim Lee, Rob Liefeld and Whilce Portacio, the X-books have become hot again.

Because of this revitalization within the X-books, Marvel Comics has instituted large scale changes across the board to the mutant family of titles. The New Mutants have changed their name and attitude in the new **X-Force** comic. This debuted with collector X-Force cards; the comic itself was enclosed in a plastic bag. Professor X has returned from space in the **Uncanny X-Men**. And true to tradition, Magneto is his nasty villainous self once again after being reformed since **X-Men** #200. Alan Davis has returned to drawing **Excalibur** after a long absence. Taking over the writing chores, Davis promises to break up the team and give the heroes a great deal of grief. Finally, **X-Factor** is changing its story direction, complete with an all-new cast.

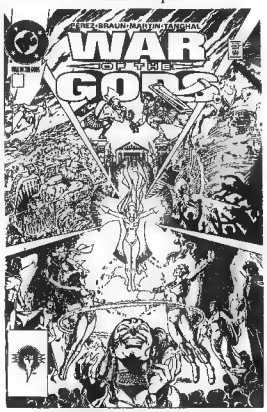
All of this leads to Marvel's debut of a new X-title called X-Men!

© 1991 Marvel Entertainment Group

Marvel has decided to kick off the title with not one, not two, not three, not four, but five multiple covers. (Four of these covers are featured on the cover of this month's CVM. The fifth cover is a special foldout issue combining all four of the previous covers.) Steve Saffel, Marvel Comics' promotion manager, cites sales as a major reason why this is being done. "The fact is," said Saffel,"that the multiple covers worked saleswise. There was tremendous response in a new **X-Men** #1. We were going to ship it multiple weeks anyway. Rather than do a slight alteration, we decided to do distinct covers for each week with a slight change in

© 1991 Marvel Entertainment Group

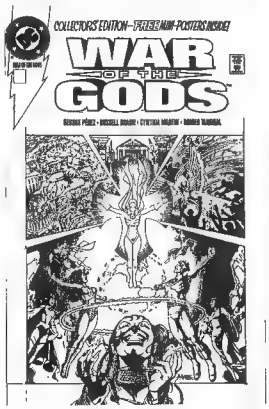
interior; the fan who wants one won't miss the story, and the collector gets the multiple covers." Orders on the five issues have exceeded over 7 million copies.



© 1991 DC Comics Inc.

(Marvel has announced other big changes for the X-titles. John Byrne will be writing **X-Men** with #4. **X-Men** will feature Wolverine, Marvel Girl, Storm, Beast, and Gambit as they battle Magneto in their first issue. **Uncanny X-Men** will star Cyclops, Rogue, Psylock, Archangel and Iceman. **X-Factor** will be an all-new team led by Havok and consisting of Rahne, Polaris, Legion, Jamie Madrox, Guido and occasionally Quicksilver.)

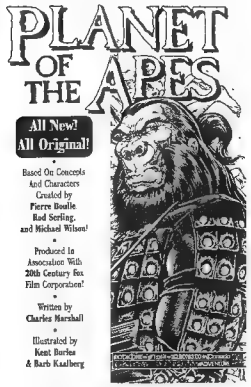
War of the Gods, a DC Comics maxi-crossover mini-series, will have multiple covers with issues #2 through #4. "The obvious benefit," said Pat Jeres, marketing representative, "is that a book with multiple covers sell more comics to collectors who feel they must have every variant edition. It has been most successful in launching new titles, both by increasing sales of and drawing attention to the project." DC will be continuing this, afterward, with the debut of Robin II: Joker's Wild mini-series with four versions of #1, three versions of #2, two versions of #3 and one extra direct market version of #4.



© 1991 DC Comics Inc.

Companies outside DC and Marvel have also used multiple covers. Malibu Graphics used multiple covers to launch **Planet of the Apes**, a title based on the same films of the sixties and seventies. "We did three cover flaps," said David Olbrich, publisher of Malibu Graphics. "It attracts a book from a sea of publishers. We were trying to get a book within the Marvel superhero glut. It's hard to market unless you're Marvel Comics. Our responsibility is to try to make the play for the creators so they make money because they earn it on a percentage basis."

"Multiple covers don't cost a lot more," Olbrich said. "It's just a new cover with the same interior."



PLANET OF THE APES
All New! All Original!
Based On Concepts And Characters Created by Pierre Boulle, Rod Serling, and Michael Wilson!
Produced In Association With 20th Century Fox Film Corporation!
Written by Charles Marshall
Illustrated by Kent Burles & Barb Kaalberg

© 1991 20th Century Fox Film Corp.

Continuity Publishing also used multiple covers to launch **Captain Power and the Soldiers of the Future**, a comic based on a toy line and a TV show. Michael Damato from Continuity estimates the cost "isn't more than 15% a book. It's cheaper than silver foil or a glow in the dark issue."

Reactions towards the five **X-Men** #1's have been mixed. "Businesswise, it'll make tons of money," said Pat Callanan, owner of Cave Comics in Newtown, Ct. "As a fan, it forces people to buy what they need. It's pandering to the investor mentality."

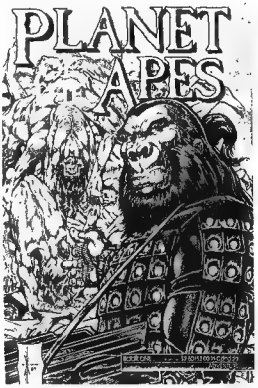
"With the multiple cover," said William Christenson from Comic Cavalcade in Champaign, Ill., "it's real positive for Marvel. They'll make five times the money, and retailers will make five times the money. To the collectors, it gives them something to collect. This has happened ever since **Legends of the Dark Knight** #1. Everybody enjoys something new to collect on the books."

How durable will the multiple cover be in the sales of new titles?

"A danger lies in oversaturating the market," said Pat Jeres. "Multiple cover 'events' may become more routine with each use and alienate the very consumers they are designed to attract."

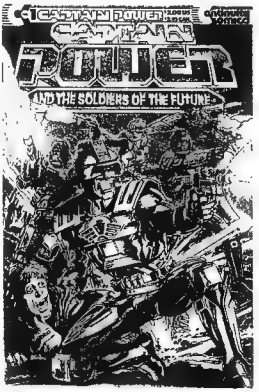
David Olbrich, in reference to the new **X-Men** title, said that in and of itself, it's not bad, but that this is a symptom of a bigger cancer to destroy the marketplace.

"The short term is good," said Bill Smith, Jr., co-owner of Comics Emporium in Baton Rouge, La. "But long term, it's going to turn people off. The industry is growing nicely, but this will suck out the money from the industry. I don't want to see what's happened in baseball cards creeping into the comics."



© 1991 20th Century Fox Film Corp.

William Christenson thinks multiple covers are a positive "if used in moderation. If Marvel does it in every title, the result will be a massive glut of all those additional covers."



© 1991 Landmark Entertainment Group Inc.

So far, multiple covers have mixed results as collectibles. The first major comic that used a multiple cover, **Man of Steel** #1(the mini-series) didn't jump through the roof in terms of price, even though it kicked off the current title, and also contained script by John Byrne and art by Byrne and Dick Giordano. However, when DC attempted a test marketing of comics with an experimental logo and alternative cover, investors snatched the alternate versions of **Fury of Firestorm** #61 and **Justice League** #3. Even at heavy supply, there was even a larger demand for **Spider-Man** #1 with art and script by Todd McFarlane. It was released in seven different formats in its first printing, and one more on its second. Multiple cover collectibility is dependent on the popularity of character, artist and availability with direct sales editions usually afforded their own covers because of their clientele.

(Other multiple cover titles listed in **CVM** include **Dark Horse Presents** #36 [with one pen & ink and one painted cover] which previewed the "Aliens vs. Predator" mini-series from Dark Horse comics; **Love & Rockets** #1 with a black and white and a subsequent color cover; **Albedo** #0 from Thoughts and Images with gold, white and blue covers; **Rat Fink** #1 and #2 with one color wraparound and four color cover from World of Fandom; and **Adventurers** #1 from Aircel Comics/Adventure Publications, one cover with a skeleton and a revised cover without).

Companies have also used the multiple cover format with different colors used on the covers as a variant in signalling second printings. Marvel has instituted it with different colors on subsequent printings of titles such as **Ghost Rider** #15, **Wolverine** #41, and **Deathlok** #1. And, Now Comics will be using multiple covers for their second printings of **Twilight Zone** #1.

Multiple covers. Are they here to stay? Or will they be a passing fad with time?

See you in the funny pages....

MALLOY'S SPORTS COLLECTIBLES

Attic Books, publishers of *Comics Values Monthly* and *Toy Values Monthly* is pleased to announce its newest publication, *Malloy's Sports Collectibles.* MSC will cover the entire range of sports memorabilia collecting including magazines, equipment, toys, autographs, photos, and uniforms. MSC will cover every sport from baseball, football, basketball and hockey to golf, track & field and horse racing. MSC will cover sports at every level: Professional, College & Olympic. Each issue will include a huge alphabetical **player-by-player** listing of sports cards.

ISSUE # 1: Sports Magazines: Yearbooks Baseball Digest Sports Illustrated
Sports Cards: Baseball Football Basketball Hockey

Each issue of Malloy's Sports Collectibles will contain player-by-player card value listings, easy to follow manufacturer codes, a feature article on each cover topic, a regular column on what to look for in the hobby, reader feedback, dealer advertisements, interior illustrations and other highlights, and a **full color photo cover.**

Sample Copy of MALLOY'S SPORTS COLLECTIBLES Send $5.00 for issue #1
(Price includes postage & handling, via First Class Mail, add $1 per issue overseas)

Or:
One Year Subscription (12 Issues): U.S. and Canada via First Class Mail $40.00
Overseas via Air Mail $55.00
